From the Turin bypass, take the motorway for Pinerolo until it reaches the end; carry straight on to the new main road 'S.R.23 del Colle di Sestriere' until the Inverso Pinasca roundabout. At this roundabout, take the left exit in the direction of **Val Germanasca Pomaretto/Prali** on the road 'S.P.166'. The Chisone Valley can be easily reached from France passing through il Colle del Sestriere by using the Montgenèvre pass or the Fréjus Road Tunnel.

By Bus

The S.A.P.A.V. bus service provides numerous daily buses from Turin via Pinerolo going to Persosa Argentina, and a daily bus from France via Briançon-Montgenèvre.

By Train

We can be reached by taking the train from Turin to Pinerolo in conjunction with the S.A.P.A.V. bus service.

By Plane

From the Torino Caselle airport, Turin city centre can be reached by using the local transport company GTT.

Then, the S.A.P.A.V. bus service links to the Chisone Valley all the way to Perosa Argentina.
